A man in a blue suit and red tie stands in the center of a large, ornate theater with red seats. The theater is mostly empty, with the man standing in the aisle. The name "ROB FERRE" is written in large, bold, white letters on a blue background in the top right corner.

ROB FERRE

"Rob is one of the *best* entertainers out there! I couldn't recommend Rob more than I do."

- Jason Hewlett

Rob Ferre is an entertainer, speaker, game show host & Master of Ceremonies from Salt Lake City. He founded his company Life of the Party Entertainment in 2007 after spending 3 years in the family entertainment capital of the world, Orlando, Florida, where he worked for Disney, Universal and Nickelodeon. His entertainment company has been awarded Best of State three years running for Event DJ Services. He has presented & entertained for business professionals throughout the country. Rob is currently serving on the Advisory Board for the American Disc Jockey Association & is the President of the Mountain West Chapter of the National Speakers Association.

Be the First One on the Dance Floor

How to Create a Movement

Rob presents an interactive keynote that is entertaining, educational and engaging. Participants will deep dive into the three core principles of creating a movement through Initiative, Guidance, and Ownership in your organization.

By the end of the keynote participants will:

- » *Empower your people to be team leaders*
- » *Have new tools to guide teams*
- » *Learn techniques of scaling their business*
- » *Know various methods of bringing more attention to their brand*

...And some might be on the dance floor!

Gamify Your Workplace

Employee engagement is crucial to retaining your team members and creating a company culture that will stand out in the workplace. Gamification is one way to create employee engagement, loyalty, and boost production.

In this keynote presentation participants will learn:

- » *Games that will engage their teams*
- » *Methodology to game creation*
- » *How to create a culture built on gamification*

Networking is like living on a high school campus, complete with cliques, mean girls, geeks and rumors. How do we graduate from the high school mentality and create a collaborative campus?

In this keynote presentation participants will learn:

- » *How to change the way you do business with other business professionals*
- » *A new approach to creating relationships within your own industry*
- » *How to synergistically raise your bottom line with like-minded professionals*
