 Conversion-omics Speakers & Consultants

"ENGAGING, KNOWLEDGEABLE, AND INSPIRING..."

Lynne Jensen-Nelson is driven to inspire. She is a highly sought-after keynote speaker specializing in effective communication strategies, profitable sales processes, and active brand management.

An award winning industry expert with over 20 years of experience developing successful sales teams and Certified Virtual Presenter, Lynne is known for providing immediately applicable information and techniques every time she hits the stage or screen. Her high energy presentations keep the audience actively engaged and leaves them with practical solutions to improve their approach to business. All services can be delivered virtually, live stream or on-site.

RAVING FANS

"As a keynote speaker, Lynne is compelling and exciting to watch. Her ability to connect with our attendees was genuine and they welcomed her message zealously."

R. Burt | Director OEC

"Lynne is among the best speakers I've seen. She is very engaging, energetic and knowledgeable. I thoroughly enjoyed her presentation and highly recommend seeing her."

M. Sullwold | Territory Manager
