PROGRAM REVIEWS

- "You are the best speaker in our organization's history, and we've had the President, sports stars, and some of the most-well known speakers in the world. For you to be placed at the top...WOW!" - *Express Employment Professionals*
- "We immediately used Sam's methods to land a \$4 million dollar account. This is the biggest revelation I've had in my 24 years in the business." - *Major Financial Services Firm*
- "For the second year in a row - and you are the only speaker in our history who we've ever booked two years in a row - you once again "wowed" us all. - *US Bank*

MOST POPULAR SPEAKING TOPICS:

The Evolution of Sales

Find the Right Leads at the Right Time with the Right Message

You can have a lead list, start with "A," end with "Z," and someone will buy. Or, you can call on the right person, at the right time, with the right message and dramatically improve your results. This new way of thinking – this evolution – will change the way you sell in any economic environment.

Is Your Consultant Some Yahoo Named Google?

Online Search Secrets

The average employee spends 2+ hours per day looking for information. At \$50 per hour, that's \$20,000 per person wasted each year! Information is power. Discover search secrets to find more than you ever thought you could, (or even should) and get the right information, right now.

Don't Steal the Cheesecake

Digital Reputation Management in an Everything is Public World

We have more ways to communicate than at anytime in history. Unfortunately, what you and others post online, text, leave in a voicemail, do in front of a camera, and even write in an email is not limited to private networks. And it can have a major impact on your personal and company brand.

You Just "Friended" a Thief

You and Your Data: What's There, and How is it Being Used

It's amazing the amount of information available online. And it's shocking how vulnerable we all are to personal and business identity theft - in ways you might not think about. Discover what's out there on you, and how to quickly and easily protect yourself and your company.
