

BRIAN GORA

KEYNOTE SPEAKER | CONSULTANT
MILITARY VETERAN | GLOBAL BUSINESS LEADER

“CLEAR, CONFIDENT, PASSIONATE, AND CONVINCING”

Don Reynolds | Former President, Gandy Company

Brian is an energetic, engaging, and deeply genuine speaker who combines nearly 40 years in military experience and a career as a Fortune 500 global senior executive to inspire all levels of leaders to be the best they can be.

Throughout his time in the Military and in business, Brian witnessed firsthand what happens when leaders fail and uses his substantial real-life experience to fuel his passion for leadership development.

Brian uses his unique global perspective, and decades as a leader to shape creative and innovative leadership presentations and workshops that develop and inspire leaders at all organizational levels!

The speaker schedule fills very quickly. Book your event today!

The Case for Leadership

Leaders Act! Achieve success in your organization by taking action as a leader! Learn how to lead effectively by mentoring, developing, and encouraging your team to act and work with confidence.

Leadership in the Fishbowl

As a leader, you are always being watched. Understand how your visibility sets the tone for the rest of your organization, and how to use it to your advantage to inspire and motivate.

Lead Change

To stay relevant in a highly competitive marketplace, you need to keep moving forward. Learn how to embrace change in your organization so that you can rise above the competition.

Leadership in the Eyes of the Led

Your team puts their trust in you everyday to provide them secure and challenging work. Understand the importance of succeeding as a leader when lives and livelihoods are at stake.

Establish a Leadership Culture

Grow leaders within your organization and cultivate a culture of leadership and progress. Challenge your team to take charge and confidently lead and own their part of the process.
