ABOUT HAYDEE

For 27 years, Haydee’s powerful insights, high energy, & custom-made solutions have inspired audiences across corporations, governments, & associations worldwide. Through the superpower of ReNEWAL, she empowers people and organizations to turn disruption into opportunity, & constant change into a unique advantage - helping them to be more relevant, resilient, & future-ready. Her passion & ability to guide others through change is rooted in her own journey — a life that has been a masterclass of thriving through disruption. By age ten, she had lived on four continents. She went on to become the youngest director at multinational L’Oréal, later owning retail stores, a manufacturing company, & a professional development firm — a path shaped by resilience, reinvention & the courage to evolve.

Her book, “Packaged For Success,” became a #1 international Amazon bestseller — an inspiring achievement for a Bolivian girl who dreamed of speaking English one day. She is a Certified Speaking Professional (a designation held by only 12% of speakers worldwide), ReNEWAL Strategist, Success & Leadership Expert, Professional Brand Guru, Reinvention Practitioner, & Ethical Influence expert.

“ She provided so much current & relevant content, delivered it all in an upbeat, engaging manner! You’d be hard-pressed to find a more engaging speaker than Haydee..
