Hi Kristen - I had the opportunity to be a part of your program this afternoon and wanted to shoot you a quick note to say thank you.

I've been to countless kick offs, summits, enablements, etc... and I found the hour with you more genuine, helpful, and practical than any other I've participated in.

I admire your approach, your tenacity and humor. I can tell you that other colleagues of mine felt the same way. I took away a lot from the hour and look forward to applying it in my every day life.

Thanks again and I wish you nothing but continued success!

Sincerely,
Andrew Watt

STRATEGIC EMCEE

Create a fun, consistent, and actionable event that creates a curated narrative tied to your event and audience dynamics.

"As an emcee, Kristen Brown always brings to the stage POSITIVE AND ENERGETIC VIBES. During our Annual Event, she was able to read our group which SET THE TONE for the entire event that day. She started the day off by warming up our crowd to prepare them for the day's program, she was able to transition smoothly between each segment and she always kept us on schedule. She was a fantastic emcee and OUR GROUP LOVED HER."

*~Executive Director for
Chamber of Commerce*

HERE'S A HARD TRUTH...

Most emcees FAIL to engage.

This leaves audiences and sponsors disconnected, attendees bored, and **events that fall flat. YIKES!** This damages the attendee experience, diminishes the event's impact, and hurts future attendance.

That's where Kristen, your **ENERGETIC** and **STRATEGIC EMCEE**, steps in to elevate your event from **average to amazing!**

By hiring Kristen as your emcee, you free up your team to focus on networking and logistics, while she works on stage AND behind-the-scenes to create a **CURATED NARRATIVE** and **ELEVATED EXPERIENCE**. This ensures everything ties to your **event, sponsor, and audience goals**.

Kristen's unique ability to bring *energy, relevance, and cohesion* keeps attendees captivated, laughing, and learning. She ensures everyone leaves ready to **TAKE ACTION** while creating a **MEMORABLE EVENT EXPERIENCE** that **resonates long after it's over!**
