

DR. JOHN BYRNE

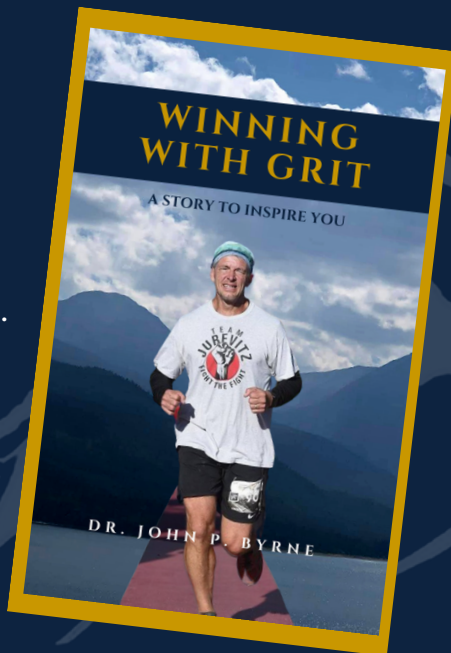

Author | Business Strategist | Coach | Keynote Speaker

*Make the rest of your life,
the BEST of your life!*

Author of *Winning With Grit*

The story of an ordinary person whose drive and attitude propelled him to achieve extraordinary feats.

Meet Dr. Byrne

Dr. John Byrne repeatedly defies the odds by conquering goals most regard as insurmountable. As an extreme athlete, he has successfully summited Mt. Rainier and completed the Leadville Trail 100 Mile Run and Wisconsin Ironman Triathlon. Dr. Byrne draws on these experiences and more to empower others to achieve their potential. Dr. Byrne collaborates with organizations to deliver dynamic keynote speeches and workshops, which lead to substantial improvements in leadership, sales, goal setting, and organizational culture.

SUCCESS IS WORKING

Signature Presentations

▲ Unleashing Your Most Valuable Assets

Professional performance and personal fulfillment go hand in hand. Inspiring people to pursue their passions and equipping them with confidence to achieve their goals will yield financial dividends and loyalty to your organization.

▲ Creating Win-Win Sales Strategies

21st century sales professionals differentiate themselves by providing superior value, innovation, and service to their customers. Be the preferred sales person customers wish to partner with in achieving success.

▲ Fostering Winning Cultures

Contrary to the commonly accepted belief “It’s not supposed to be fun – that’s why they call it work,” the workplace SHOULD be a vibrant and healthy place where we are excited to go! Learn how to create work environments that are welcoming, stimulating, and fun.

▲ 7 Habits for Highly Effective Professionals

Applying principles from Stephen Covey’s award-winning classic 7 Habits of Highly Effective People, learn how to increase your efficiency, effectiveness, and job satisfaction at work.

Testimonials

“John had hundreds engaged at our corporate event and inspired us to believe we are capable of doing more than we realize. People in our organization were talking about his speech months after he left!”

John O'Brien | Corporate Business Manager
John Deere Worldwide Construction & Forestry Division

“John’s humble, yet vibrant manner is refreshing and extremely motivating. He fired up our sales staff with his stories and relevant correlation to our daily work and personal life. Great guy with a positive approach to business and life! Well Done!”

-Tim Conrad | Senior Vice President, Sales & Marketing
Standard Forwarding LLC

“John Byrne is one of the most inspirational and motivational speakers I have listened to. Through his unique experiences, John shares a message that anyone could use regardless of age or experience.”

-Raymond J. Shovlain | Director of Athletics
St. Ambrose University

“John showed us that the roadblocks in our personal and professional lives should be looked at in a different light. We can overcome any obstacles with the right mindset.”

-Jake Ward | Vice President of Marketing
Rock Island Arsenal Credit Union
