WHY JOSHUA SETH

The Keynote Audiences Talk About Long After the Event Ends

Most keynote speakers deliver information.
Joshua creates an interactive experience.

Using interactive demonstrations, communication psychology, and audience participation, Joshua transforms powerful business lessons into unforgettable moments that audiences don't just hear – they experience.

HUMAN CONNECTION IS THE NEW COMPETITIVE ADVANTAGE

In an age of AI, automation, and digital communication, the ability to build trust, communicate effectively, and create meaningful human connections has never been more valuable.

Joshua's keynotes help audiences strengthen the **uniquely human skills** that technology cannot replace.

AUDIENCES LEARN HOW TO:

Build trust and connection

Read people more accurately

Influence with integrity

Create stronger customer relationships and teams

WHAT MAKES JOSHUA DIFFERENT?

KEYNOTE PROGRAMS

Powerful Ideas. Unforgettable Experiences.

Joshua Seth delivers interactive keynote experiences that blend communication psychology, audience participation, and mind-blowing demonstrations to help organizations build stronger relationships, communicate more effectively, and thrive in today's rapidly changing world.

Rather than simply delivering information, Joshua creates memorable experiences that audiences actively participate in, ensuring key lessons are understood, retained, and applied long after the event concludes.

SIGNATURE KEYNOTE

THE PSYCHOLOGY OF CONNECTION HUMAN SKILLS AI CAN'T REPLACE

In a world increasingly driven by technology and artificial intelligence, human connection has become the ultimate competitive advantage.

In this interactive and entertaining keynote, Joshua Seth uses mindreading as a metaphor to demonstrate how we can better understand people, build trust faster, and create more meaningful interactions. Through audience participation, communication psychology, and unforgettable demonstrations, attendees discover the uniquely human skills that technology cannot replace.

The result is stronger teams, more effective communication, deeper relationships, and a renewed appreciation for the power of genuine human connection.

“ When we are fully present and connected with one another, then *every moment is magic.*

ABOUT JOSHUA

From Hollywood to the Keynote Stage

Joshua Seth's path to speaking is anything but ordinary.

Before becoming a keynote speaker, Joshua built an international career as a mentalist and anime voice actor in Hollywood. He is best known to millions as the voice of Tai, the starring role in the globally successful Digimon franchise, and his roles in more than 100 animated TV shows and films (Akira, Spongebob Squarepants)

After winning first place in the Magic Olympics at Hollywood's legendary Magic Castle, Joshua took his unique blend of entertainment, psychology, and audience engagement around the world, performing in more than 40 countries and starring in five international television specials in Japan and South Korea.

Today, Joshua combines communication psychology, audience participation, and decades of live performance experience to create keynote experiences that help audiences build stronger connections, communicate more effectively, and develop the uniquely human skills that technology can never replace.

The result is a keynote performance that is engaging, memorable, and impactful long after the event ends.

“

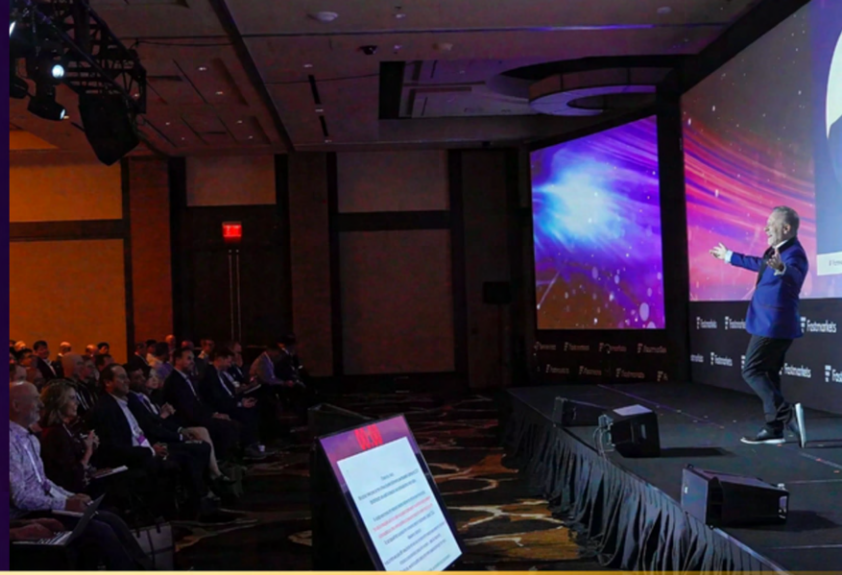

The most memorable moments happen
when people stop observing and
start participating.
