- Make faster, higher-quality decisions
- Improve collaboration and team alignment
- Lead with confidence using the IROD® framework
- Apply the process immediately in your own organization

ABOUT

Dr. Dave Webb is a former 12-year Spanish teacher, 12-year High School Principal, and 12-year Superintendent of Schools. He is the author of the Amazon Best Seller Homerun Leadership. Today, Dr. Webb helps executives, leadership teams, city councils, school boards, and boards of directors accelerate collaborative decision-making, strategic planning, and innovation through his proprietary IROD® Facilitation Suite digital software. He also serves as adjunct faculty at St. Cloud State University, where he teaches graduate leadership courses. Dr. Webb lives in Shoreview, Minnesota, with his wife and is the proud father of four adult children.

“We use Dr. Dave’s web-based application to innovate and improve every division of our global business.”

— Steven Lacher, President of Employee Pooling

“The IROD® process has truly become our go to tool for district improvement and innovation conversations.”

— Stacie Stanley, Superintendent, St. Paul Public Schools
